## SUBJECT: CORROSION FIGHTER PARTS

Commercial vehicles are constantly subjected to harsh corrosive environmental conditions, so, to aid in the fight against this "corrosive" attack, MGM Brakes offers numerous "corrosion" resistant parts to help keep your equipment "out-of-the-shop" and "on-the-road". If you don't see to what you are looking for, contact MGM Customer Service at 1-800-547-7411, Ext. 750.
