June 16, 2017

This letter serves as formal notification that MGM Brakes is discontinuing our TR3024 Model due to lack of demand and worn tooling. MGM Brakes acknowledges the obligation to promptly inform our customers of the intent to discontinue any product to give our customers the ability to prepare for future planning.

To help with this future planning, we will offer a last time buy opportunity. We currently have a limited inventory of parts and discontinuation will start when inventory is depleted.

**Last Time Buy Conditions:**

- All purchase orders are non-cancelable and non-returnable.

MGM Brakes appreciates and values our business relationship and looks forward to your continued interest in our products. While we regret any inconvenience this announcement may cause, we are eager to supply your future product requirements with our world-class quality product lines.

If you have any questions regarding the discontinuation of MGM model TR3024, please do not hesitate to contact me at 704-547-7411 or at [bschrandt@mgmbrakes.com](mailto:bschrandt@mgmbrakes.com).

Sincerely,

Bryan Schrandt  
V.P. Sales & Marketing – Worldwide
